Summary

Data science enthusiast pursuing a B.Tech. degree in Computer Science at RGUKT IIIT, Srikakulam, graduating in 2025. Passionate about using data to solve real-world problems. Skilled in machine learning and data analysis with experience in various projects.

Education

B.Tech. in Computer Science, RGUKT IIIT, Srikakulam   *Expected Graduation: 2025*
Intermediate. in MPC, RGUKT IIIT, Srikakulam   *Graduation: 2021*
SSC , ZPPH School,Yandapalli,Kakinada,   *Graduation: 2019*

Skills

– Machine Learning

– Data Analysis

– Python, R, SQL

– Data Visualization

– Statistical Analysis

– Deep Learning (e.g., TensorFlow, PyTorch)

Projects

Bell Pepper Disease Detection   *May 2023*

– Developed a machine learning model to detect diseases in bell pepper plants.

– Utilized image processing and deep learning techniques.

Lung Cancer Disease Detection   *September 2023*

– Developed a machine learning model to detect diseases lung cancer using CT scans.

– Utilized image processing and deep learning techniques.
